Dear valued clients,

Welcome to Law Firm Verry Sitorus & Partners (VSP), a grand haven for well-skilled lawyers and qualified defenders that are always marked with its long term excellence. VSP was established in August 28, 2015 with a structured vision for serving the best legal services in the name of justice and unity.

Our best figure is also associated with the demands for numerous cases that are blatantly measured to guarantee our brightest potentials. This is exactly what people need to be able to comprehend a lot of legal matters that are always made to be resolved in a magnificent strategy that we promise to present.

Our mission is to bring the orientation of justice that is quite far from the reach of people who have no abilities with regard to the act of law. We believe that every person possess a mutual equality in pursuing their rights before the Court or even in the corporation schemes.

By the gleam of this explanatory preface, our Firm thanks you deeply and we are looking forward to corresponding with you in all your legal needs.

Verry Sitorus, S.H. Managing Partner

ASPIRE TO BECOME **ONE OF THE MOST HIGH-QUALITY LAW FIRMS**; **WE STARTED OUR JOURNEY IN 2015** WITH INDUSTRIAL RELATIONS DISPUTE BETWEEN A LABOR AND THE COMPANY WHERE SHE WORKED, WHICH IS ONE OF THE BIGGEST COMPANIES IN JAKARTA.

We are a people business. Being massive in class in the eyes of our clients, means that our people must be excellent.

Furthermore, the dispute settled in amicable manner between the two parties. Another case in 2015 was a breach of contract that had been successfully handled by us. Since then, so many parties with various cases coming to us, such as insolvency and bankruptcy cases, suspension of debt payment, criminal, contract review, and contract drafting, and some corporate law-related cases.

Clients' businesses are our business. We bring a long-term perspective, embracing new ideas and proactively identifying future trends. We listen to our clients to allow us to understand their current and future needs and to shape our business to meet those needs. Clients share their experiences with us that they value our solidarity, culture, and we honor the spirit of teamwork and collaboration on which our firm was built – but we also provide the benefits of working with an ambitious, forward-looking, and exceptional business. It is also important to us that we are recognized as a responsible lawyer team, wherein we use our skills and resources to pose positive effects in the community.  Our vision is to serve every client of ours with the greatest legal handling with an in-depth analysis in terms of problem solving. We are also correlated in a unified form of togetherness in terms of assisting our clients.

### VSP VISION

### PRACTICES **AREAS**

VSP has very stong experience insolvency & bankruptcy team made up of two curators and four associates

From high-profile transactions to regulatory issues and complex litigation, our lawyers harness their knowledge across multiple legal disciplines to provide a holistic perspective for sophisticated matters.

#### Our Cases and Clients regarding this matter are the following :

PT Panghegar Kana Property PT Kembang Delapan Delapan Multi Finance PT Vania Karunia Teguh PT Danau Winata Indah PT Bali Melka

#### INSOLVENCY AND BANKRUPTCY LAW

We provide an expert business advice on company rescue, restructuring, and insolvency. Trading in difficult circumstances can result in a wealth of problems, impacting on both creditors and debtors.

Often companies continue to trade in financial circumstances that could give rise to potential personal liability for the company's officers as well as possibly exposing creditors and other stakeholders to greater losses.

At VSP, we believe in avoiding formal insolvency proceedings where possible and provide, where appropriate, clear advice on trading out of difficult circumstances by eliciting support from stakeholders in financial restructuring. Sometimes formal insolvency processes cannot be avoided in these circumstances, but we will provide assistance in a full range of insolvency processes carried out under Indonesian laws and regulations.

VSP has a very strong and experienced Insolvency & bankruptcy team made up of two receivers and four associates.

We offer solutions to provide legal services in the field of Insolvency & bankruptcy including applying the Suspension of Debt Payment (PKPU) and Insolvency in the Commercial Court, assisting and representing the client as Bankrupt/ Suspension of Debt Payment (PKPU) Respondent, as well as assisting clients in Debt Restructuring and Reorganization of the Company.

#### Our Clients regarding this matter are the following :

PT Citra Van Titipan Kilat (Corporate Law and Breach of Contract) PT Sigma Indonesia Manufacturing (Corporate Law) PT HMS Bergbau Indonesia (Industrial Relations Law) PT West Terminal Point (Criminal Law) PT Bhakti Investama (Anti Corruption Laaw) Hercules Rozario Marshal (Criminal Law) Sidharta Istanto (Agrarian Law) Yoewono Sutedjo (Criminal Law)

#### LITIGATION

The Litigation Group draws upon VSP rich expertise in corporate, financial and transactional, criminal, family, and industrial relations law, forming seamlessly integrated teams that handle any related or follow-on matters that arise. VSP manages issues through every stage of the litigation life cycle.

We routinely act on complex and multijurisdictional litigation matters. Our global reach gives us expertise in local law in multiple jurisdictions and the offices throughout our network we closely work with. This is important because many cases could be cross-border and, because the different legal systems and cultures have different regulatory regimes, therefore, we do not treat issues such as privacy, data protection, employee protection and privilege in the same way.

Consequently, our lawyers are able to provide clients with well-rounded and insightful advice that addresses local issues as well as the risks to a global business that arise from cross-border investigations. We can credibly present this analysis to regulators across jurisdictions to protect our clients' positions.

#### ALTERNATIVE DISPUTE RESOLUTION

We have experienced a consistent demand increase for litigation and also alternative dispute resolution services in the past few years and have experienced success.

VSP could provide analysis issues and drafts mediation and arbitration clauses in international joint venture and other financial and commercial agreements. It provides advices on business decisions and plans that pose arbitration and litigation risks, and it represents clients in arbitration, mediation and other alternative dispute resolution proceedings. Also, we will develop strategies to resolve

complex disputes that involve negotiation, conciliation, multiple claims, parties, jurisdictions and parallel or closely related arbitral and judicial proceedings.

We actively pursue all avenues of dispute resolution available and advise clients on choosing the method most appropriate to them and to a particular matter. Our main priority is to resolve disputes in a quick and effective manner with as little disruption to business as possible – recognition of this is

central to how we approach any matter.
